

MONTE VISTA HARDSCAPE & LANDSCAPE CONCEPT DESIGN

FRONT YARD PLAN

FRONT YARD ELEVATION

DESCRIPTION:

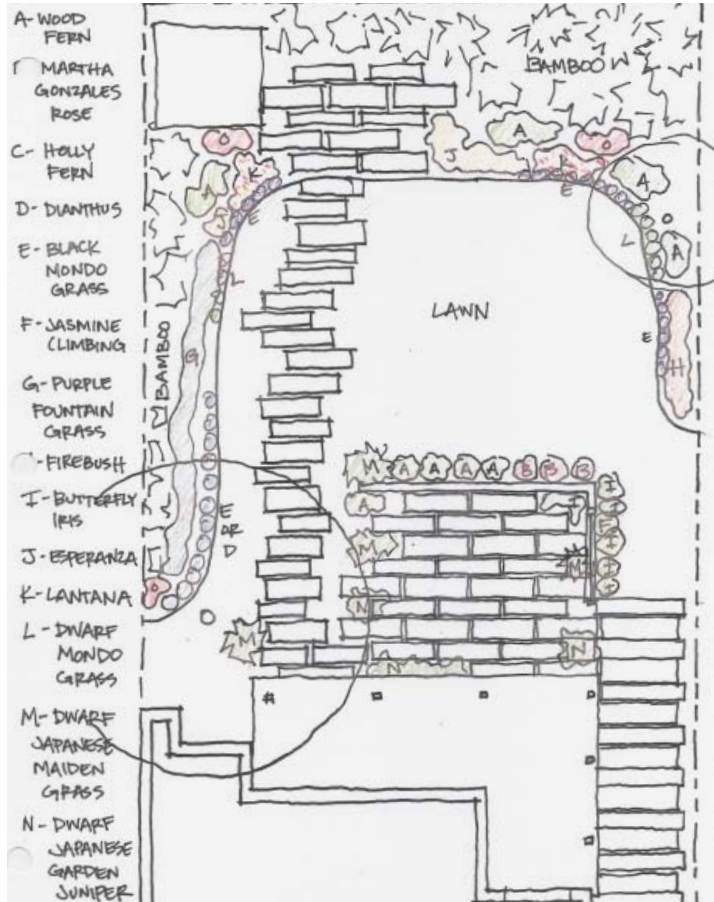

We did a concept design for the hardscape and landscape of this Monte Vista home. The proposed front yard improvements include:

- A low retaining wall with native rosemary plants draping over it
- A native xeriscaped planting layout
- Cut, honed stone blocks with Zoysia grass growing between them that serve as walkway and patio
- A new cut stone driveway with gravel between the cut stones

MONTE VISTA HARDSCAPE & LANDSCAPE CONCEPT DESIGN

BACK YARD PLAN

DESCRIPTION:

The proposed back yard improvements include:

- A native xeriscaped planting layout
- Cut, honed stone block patio and walkway with grass growing between 2' by 4' stones
- A low retaining wall for seating around the patio
- A new wood arbor with steel rods for growing vine plants at the existing deck
